

## **Recommended homeowner insurance coverage**

**The HOA often receives questions regarding what type of insurance coverage a homeowner needs.**

**It is suggested that homeowners purchase a HO6 policy, or equivalent, as recommended by your insurance agent. You should discuss with your insurance agent any additional coverage that may be recommended or you feel comfortable carrying.**

**It is recommended that you provide your insurance company the current Covenants, Conditions and Restrictions for the Shops at Prestonwood. Article VIII, entitled “Insurance Provisions” on pages 24-26 reviews insurance coverage. They can be found on the HOA web page under “Documents” and “Governing Documents.” The HOA Certificate of Insurance can also be found on the HOA web page under “Documents” and “Insurance Documents.”**
